

YORKSHIRE SPEAK OUT CHALLENGE 2025-26

FREE PUBLIC SPEAKING PROGRAMME FOR YEAR 10s

What is the Speak Out Challenge?

The Speak Out Challenge is a public speaking programme delivered in schools by professional trainers. It develops young people's communication skills, and confidence, and empowers them to find a voice.

How does it work?

Schools book a workshop for 25-30 Year 10 students free of charge. Students will then have the opportunity to participate in a progressive competition, culminating in a prestigious live event, at which one student will be crowned Yorkshire Speak Out Champion! [Click here](#) to book your workshop. Additional workshops are available at £250.

84% of the least confident students increased in confidence in the Speak Out workshop last year

"The workshop gave students who can be challenging or lack confidence the space to believe in themselves and view public speaking in a different way. It's been wonderful to see their confidence grow over the course of the day." Chaucer School, Sept 2025
